### About Erin Cluley Gallery

Erin Cluley Gallery is a contemporary art gallery representing emerging, mid-career, and established artists from Dallas, the United States, and Mexico. The gallery presents a provocative program of artists working in both traditional and alternative forms including painting, sculpture, new media, photography, sculptural installation and public intervention.

In 2014, Erin Cluley Gallery ignited a creative movement in West Dallas acting as a hub for visual arts and community engagement. After nearly five years on Fabrication Street, the gallery has moved its operation to Riverbend – a development in Dallas' Design District celebrating the intersection between culture and commerce.
